

# TENUTA SALLIER DE LA TOUR

## MADAMAROSE 2023

A rosé designed from the vineyard, which demonstrates how for Tenuta Sallier de La Tour, Syrah is a variety with great potential, valued throughout the Monreale area. Just a few kilometers from the sea but immersed in the foothills of the Jato Valley, this rosé expresses itself on the nose with delicate notes of fresh red fruit and spices, and on the palate with spontaneous fruit, savoriness, and freshness. All of this is thanks to the landscape's gentle hillsides, fresh medium-textured soils with a predominantly sandy texture, and diurnal range.
